

Figure 1 consists of two maps. The left map, titled "Location of County within State", shows the state of Oklahoma divided into counties. One county in the western part of the state is highlighted in orange. The right map, titled "Sheet Location within Entity", shows the outline of the state of Oklahoma. A small rectangular area in the northern part of the state is highlighted in blue, representing the location of the sheet within the entity.

The plotted map scale is 1:15000
